Mock Test

General Guidelines

1. The MA (English) students are notified that a mock test of Google form submission will take place on 27 March, 2021 from 9:30 to 10:30 AM. One hour will be given to submit the answer script.
2. The Google form will be available on the departmental website right before the commencement of the mock test.
3. Only coversheet (A4 size) should be uploaded in PDF format. In case of remote areas with no printers available, the students may create their own cover-sheet in handwriting with the same fields.
4. The file should be in PDF format only. There should be strictly one single file containing all the answers.
5. The smartphone must be installed with any scanning app. The suggested app is: Fast Scanner: Free PDF Scan by CoolMobileSolution. The link to download this app is as following:
<https://play.google.com/store/apps/details?id=com.coolmobilesolution.fastscannerfree>
6. File name of the answer script to be submitted should be same as the student's name followed by the paper code. E.g: abc_mock_test.pdf
7. The file should be uploaded only on the Google form and no where else.
